# Position: Art & Nature Summer Instructor – Lowell

**Location:** Lowell, MA

**Dates:** Weeks of June 24, July 1, July 8, July 15

**Position Details:**

This position involves teaching an art and nature curriculum in the Lowell Public Schools four-week, half-day summer program. Drawing either from our database of lesson plans, or creating new ones, the instructor will bring art and nature together in thematic projects. Each project blends science with creative art activities, encouraging the skills of observation, reflection, exploration, and creative play/problem solving. Would be working with youth ages 6-12 at a school site in Lowell. No classes on Fridays.

**Qualifications:**

- Experience teaching and/or working with youth
- Passion for nature and the outdoors
- Classroom management skills
- Experience with/interest in the arts

**Pay and Benefits:**

Hourly/weekly pay based on level of experience.

**To Apply:**
