A message from the Trail's End Family

As you know, this is a challenging time for everyone. We are working to balance the health and safety of our customers and community with the financial security of our employees. In the spirit, we are taking several measures:

- We are expanding our free delivery offer to the area surrounding Concord. While we work on the logistics for this, we ask that people call and ask if delivery is available. We will do our best to accommodate people's requests.
- We can also arrange to bring your takeout order to your car, without you needing to come into the restaurant.
- We are offering a gift card special so you can purchase a gift card to use at a later date, or to give to someone who is staying at home and would like to have food delivered.
 - Free \$5 card with \$25 card purchase
 - Free \$10 card with \$50 card purchase
 - Free \$20 card with \$100 card purchase

We continue to appreciate all of the support that the community has given us over the years. We believe we are all in this together.
